

As the temperatures go up

So does the risk of fires across Southern California

If you live in a wildfire hazard zone, have a plan for your family
with 3 simple steps...

Prepare your home

Know what you are going to pack

And have a place for your family to meet

Have your

"Ready , Set, Go" plan in place BEFORE a fire starts.

For more details on how to prepare,

go to [KCAL News DOT com/fires](https://www.kcalnews.com/fires).

KCAL IS PRONOUNCED: (KAY-CAL)
